5. County Offices are on your left (shortly after the Methodist church on your left and the Church of England on your right).
6. Park in the visitors car park and ask at Reception for a temporary parking permit.

To find the MBP office:

1. Walk into town.
2. On your left you will pass the Post Office and Ottakers Bookshop. The library, is opposite on your right. Turn left at the war memorial at the top of the hill into the Market Place.
3. Look for Kentdale Outdoors (a hiking equipment shop) at the far end of the Market Place; the office is down a little alleyway to the left of Kentdale Outdoors. There's an entryphone system - please buzz and we'll let you in.
