Celebrate Morecambe Bay Day

Back for 2025! We're inviting schools around the Bay to once again come together to discover and celebrate the unique landscape, nature, and heritage we all share.

You'll also be raising money to help the people, places, and wildlife of the Bay.

How will you celebrate this year? Here's some ideas to get you thinking!

Action stations – do a sponsored litter pick around your school

Dressing up - non-uniform or Bay-themed dress up day in exchange for a small donation.

Mindful walking - take a sponsored walk from your school to your nearest Morecambe Bay coast or river. What can you see along the way?

Sponsored bioblitz – record as many species of birds or plants as you can for an area near you. Tell us what you find.

School yard scoot-a-thon – can you go the distance of your nearest seaside promenade?

Quiz time – sell Morecambe Bay quiz sheets to the school community or hold a Bay-themed quiz night. Who knows the most about your area?

Sponsored art race – pick a Morecambe Bay theme (how about birds, sunsets, shining sands, or rivers and seas) – who'll create the best artwork in the time available? Choose your judges wisely!

Discover more about Morecambe Bay and why it's so special with some **FREE** resources.

This year we'll be sharing some of the amazing resources from **Morecambe Bay Curriculum** and some of our digital leaflets and guides.

**MORECAMBE BAY
CURRICULUM**

Keep in touch. Tell us you are taking part by emailing info@morecambebay.org.uk so we can send you the resources and send us your amazing photos on the day (subject to permission).

We all share beautiful Morecambe Bay. Help us keep it special. All donations will support local charity Morecambe Bay Partnership who run projects caring for nature, heritage, and our communities
