Morecambe Bay Partnership
has been connecting people
with the nature, heritage and
culture of Morecambe Bay for
over 25 years

**We're now delighted to run a fundraising walk to
Piel Island led by expert guides John Irving and
John Murphy who will give you a very warm
welcome.**

**Saturday 24th May
12 noon until approx. 4pm**

**Tickets:
£10 adults
£5 children (6 to 16 years)**

Please note that dogs are not permitted.

Where and what is Piel Island?

Piel Island is situated on the tip of the Furness Peninsula and juts into Morecambe Bay.

At only fifty acres, this small island off the coast of Barrow in Furness can be accessed by guided walks across the sands at low tide (and via passenger ferry from Roa Island).

Although the island is small it boasts a rich and fascinating history along with its own King, Castle and Pub.

Our walking route

Duration: The walk to and back from Piel Island takes approximately 45 minutes to 1 hour each way.

Route: The exact route, distance and duration of the walk will be governed by tides, channels and the sands expertly and safely navigated by our trusted Guides.

Terrain: The walk will cover a variety of terrain from rock, mud, sand, water to possible slippery conditions. The first part of the walk (300m) is very slippery so please wear appropriate footwear. Following this, the sands will be wet and we will be walking through some low gullies.

Safety: Children under 16 must be supervised at all times by a responsible adult.

A Note from the Guides!

“Thank you for reserving a place on the Piel Island Walk. We are looking forward to this walk and we can’t wait to give you a warm welcome and a day out you won’t forget, following in the steps of Chris Packham to his favourite location in the UK, our hidden gem.

The one thing we cannot control is the great British weather 🌧️. The walk will be cancelled if we believe it is not safe and we do not apologise for this.

Please bring water. Once on the island the pub is open for refreshments and the KING is expecting you! Please note if you wish to pre-order food from the pub on the Island, please EMAIL AARON AT shipinnpiel@gmail.com

We are looking forward to taking you safely over the sands.”

The Walk Timetable

The walk itself will begin at 12.30pm but we ask all walkers to arrive early, from 12noon, to check in with us, Morecambe Bay Partnership, and to attend a safety briefing given by our Guides, John Irving & John Murphy.

Where: Snab Point, (Grid Ref SD208639, What Three Words goats .scarves.waltz) Mawflat Lane, Biggar, Walney Island, Barrow, Cumbria

12:00pm: Check in to the walk with our team and the Guides

12:30pm: ALL to assemble for the beginning of the walk & safety briefing

Duration: 4 hours approximately

End: The walk will end where it started at Snab Point 4/4.30pm

Safety on the Walk

To ensure everyone's safety, the route across the sands is checked by our fully insured guides. Once the walk begins, all walkers **must follow the instructions of the Guides** and all walkers must move as a group. Any pauses or stops in the walk are determined by the Guides only and made on their expert judgement. Volunteer marshals also join the walk. **Please follow all directions given to you by marshals** who will be introduced to you at the briefing. At least one marshal will be first aid trained.

What to expect

Our walking **terrain** will be mixed. You'll need suitable sturdy footwear for the beginning of the walk which can be uneven and slippery, and for exploring the island. Once we step into the Bay, you will navigate sand, water and mudflats. Barefoot is often the best option for walking the sands.

You can expect to get wet (sometimes up to the knees or over).

The Bay is exposed and can offer up heavy rain, hot sun, dense cloud, mist and winds so we recommend you **plan for all eventualities**. You'll need waterproofs. Layers, a hat and sun block! And if you have binoculars, do bring them with you for spotting birds and wildlife!

Fitness to walk

Walking the sands is extraordinary, and an adventure. While the Bay's sands are reasonably flat, the rippling terrain can be demanding underfoot and you may navigate some water channels. All walkers must be fit enough to tackle uneven terrain and walk at a leisurely pace for the duration of the walk (approx. 45 minutes to 1 hour in both directions). Once we set off with the Guides we move together as a group with any pauses or stops determined by the Guides only.

PLEASE NOTE - No Dogs

Please note, we have chosen not to permit dogs on this walk due to the sensitive nature of the area and sands around Piel Island. This is to preserve the safe and tranquil nature of the sands around the island for birds and other wildlife.

Parking and arriving by car - There is some **parking at Snab Point**, arranged by the Guides. On the day of the walk itself, Guides plus their marshals will be on hand to help and direct vehicles. If you are travelling in a group, you may prefer **to rendez-vous near The Roundhouse Café** (Biggar Bank Road, Barrow-in-Furness LA14 3YE) **and car share down to the Point** to help minimise parking congestion.

Public Transport - please note that the nearest bus stop to the start of the walk is 3+ miles away. Bus service No.1, run by Stagecoach Cumbria, stops near the Roundhouse Café and from there it is a 3+ mile walk to Snab Point. Alternatively, you could arrange a private taxi to take you to Snab Point.

Toilets - Please note there are **NO toilet facilities at Snab Point**. There are toilets at The Ship Inn once we reach Piel Island.

Nearest public toilets:

<https://www.westmorlandandfurness.gov.uk/your-environment/find-public-toilet>

The nearest café to the start of the walk is over 3 miles away - The Roundhouse (Biggar Bank Road, Barrow-in-Furness LA14 3YE).

Food, snacks and water - Please bring water to stay hydrated. You can also bring snacks. If you want to bring your own lunch or picnic, that's fine. You can also pre-order food from The Ship Inn - the only pub on Piel Island - by emailing *Aaron at shipinnpiel@gmail.com*

Cancellation - Due to the ever-changing nature of the Bay, it is possible that the walk may be postponed or cancelled. Our guides will be monitoring conditions and if we are unhappily forced to cancel for safety reasons, you will be contacted by email and we will offer refunds.

How will your ticket help to raise money for Morecambe Bay?

This walk is one of many vital fundraising events for 2025. The fee for each ticket is as follows:

Tickets
£ 10.00 per adult
£ 5.00 per child (6 to 16 years)

We will be paying the Guides for their excellent services & in addition to paying for their expertise, the booking platform, Trybooking, charge a fee to handle payment and process every booking. This includes a fee of 5% per booking + 15p per ticket.

We ask you to consider doing two things to create maximum support for Morecambe Bay:

- 1) **We invite you to cover the booking fee** when you book your place on the walk. If you choose not to, Morecambe Bay Partnership (a charity) pays this on your behalf.
- 2) **Make a one off donation of £5.00 on top of your ticket to Morecambe Bay Partnership.** This will help to cover the fee we pay to the Guides and means more of your contribution to the walk goes towards caring for Morecambe Bay. Thank you so much for considering making this donation which you can do at the time of booking.

Your ticket and your support is helping:

- NATURE which is under great threat.
- COMMUNITIES who are facing poverty & inequality.
- YOUNG PEOPLE to improve skills & life chances.
- ACCESS FOR ALL to the Bay's coast and countryside

If you would like to find out more about what we do, please see our [current projects](#), [impact](#) and our [short \(2 min\) film](#) on our home page.

You can also view a short film of what we achieved together for Morecambe Bay in 2024: <https://youtu.be/WV8cO-pFucU>

We use your money responsibly and accountably – making sure that ticket sales and donations support the Bay's nature, heritage and culture. We don't spend your money on event 'freebies'. We appreciate medals and t-shirts can be fun, but we're committed to low carbon events that are financially sound. Producing single use items can create waste which comes at financial cost to the charity and at a cost to the environment. **So instead, why not consider supporting Morecambe Bay via our sustainable shop (details overleaf).**

Please note that all tickets are **non-refundable and non-transferable**. We cannot issue refunds in the event of transport issues such as train strikes. However, if the Guide cancels the walk for safety reasons you will be offered a refund.

We hope you choose to join us at this very special event
